

Guide for synopsis on PhD projects (15 - 20 pages)

1. subject and summary
2. How did you come up with the idea for your subject?
3. justification of project in relation to thematically relevant state of research (similar to DfG-application; 8 - 10 pages)
4. basic assumptions for theory and research
5. empirical work: planned methodical approach
6. approximate work and time schedule
7. embedding of the PhD project (e.g. as a part of research project; If you are working on your own: How should be maintained scientific contact?)
