Corrigendum to the Examination Regulations for the Consecutive Master's Degree Program in Textile Machinery and High-Performance Textile Materials Technology

From August 16, 2022

The examination regulations for the consecutive Master's degree program in Textile Machinery and Textile High Performance Materials Technology dated May 24, 2022 (Official Announcements of the TU Dresden No. 4/2022 dated June 3, 2022, p. 85) are to be corrected as follows:

The following sentences are to be added in front of the wording of § 24 paragraph 1: "For the module examinations, study achievements may be required as preliminary examination achievements. Their number, type and design shall be regulated in the module descriptions, and the number of repetition options may also be limited."
