Explanation of the project

Abstract of the project (*max. 1000 characters*)

Briefly describe the background, objectives and implementation steps as well as the expected results of your project. Please attach further explanatory documents, e.g. timetable/milestones, planned program, CVs etc. separately to the application.

Contribution to internationalization

Which decentralized or central strategies of the TUD does your project fit into?

Please select (multiple answers possible):

Fields of action of the internationalization strategy „TU Dresden - Connected to the world“

- ☐ **Field of action 1:** Internationalization of study and teaching activities
- ☐ **Field of action 2:** Internationalization of research
- ☐ **Field of action 3:** Framework conditions for internationalized teaching and research
- ☐ **Field of action 4:** Improving the international positioning of TU Dresden

Other strategies (please specify):

- ☐ Division-specific strategy

- ☐ Other central strategy

- ☐ Assignment to research profile line
 - ☐ Health sciences, biomedicine and bioengineering
 - ☐ Information technologies and microelectronics
 - ☐ Materials science and engineering
 - ☐ Energy, mobility and environment
 - ☐ Cultural and social change

How does your project contribute to the internationalization of your faculty, your institute or the university as a whole? In the case of projects to establish and expand partnerships, please also describe the previous cooperation with the partner.

Relevance for the science location Dresden

Explain the relevance of your proposed project for the TU Dresden and the science location Dresden as well as DRESDEN-concept.

Impact and sustainable implementation of the project

What effects do you expect for TU Dresden in the short, medium or long term?
How will you ensure the sustainable implementation of your overall project
(financial and human resources, cooperation with stakeholders, etc.)?

Please note:

- Costs that exceed the requested or maximum funding amount must be covered financially by other means.
- Further explanatory documents (e.g. financial calculations, lists of participants, programs) must be submitted together with the application.
- Only complete applications submitted in PDF format by the deadline can be considered.
- Please inform the International Affairs Officer responsible for your area about your project.
