Application for a NEW Password at ZIH, TU Dresden
(Staff and Guests of TU Dresden only)

This is a standard form for staff and guests of TU Dresden who are out of town only and cannot speak to the helpdesk personally for the setting of a new password. This form can only be valid with a stamp of the institution or alternatively with a copy of a valid document (personal identification card, passport, students identification card)[1]. If the owner of the login is absent and a second person is assigned with this procedure his/her documents are needed for verification purposes.

login:

Note:
To use all the services of the ZIH again, you need to receive the new password is set on the password page of ZIH's (https://idm-service.tu-dresden.de) own secret password. This also applies for possibly active logins from you on the HLR machines.
